North Lakeland Discovery Center

The North Lakeland Discovery Center is a wonderful facility situated just outside Manitowish Waters on Statehouse Lake. The center provides a unique place to explore our area’s natural resources and have fun in group activities. Camp activities will take place in the out-of-doors, in the main lodge, at the fire ring and amphitheater, and on the waterfront. Check out their website for more information: [http://www.discoverycenter.net](http://www.discoverycenter.net)

Directions: The North Lakeland Discovery Center is located in the town of Manitowish Waters, Wisconsin on County Highway W, approximately 26 miles south of Hurley. From the north on Highway 51, turn left onto County W. Look for Dietz’s Gas station on your right after crossing the bridge. Bear right, going ¼ mile and look for the North Lakeland Discovery Center sign on the left side of the road. The Discovery Center is 1.2 miles from Highway 51 on County W.

Iron County Summer Outpost Camp

Located at Lake of the Falls County Campground
Mercer, WI

July 8 - July 10, 2015

Organized by:
Iron County University of Wisconsin-Extension,
4-H Youth Development Program/Iron County Summer Camp Planning Team
For the first time ever, the Iron County University of Wisconsin Extension is offering a camp experience for youth in grades 6-7. This has been needed for a very long time and we are incredibly excited to be bringing it to you this summer. If you had fun at the original summer youth camp, I hope you love what we are offering this summer.

Dear Campers and Parents,

We are happy you are interested in the Iron County Summer Outpost Camp. We have been planning for this year’s camp and know you will have fun, meet new friends and enjoy the activities.

This is going to be a tent camping experience that will allow you to develop your leadership skills while building confidence in your abilities. Due to this being the first time we are offering this we need to keep the size of the camp at a manageable size. We have limited the number of campers to 20. The registration fee for this camp will be $125.00.

All campers must pay the $30 non-refundable deposit or the $125.00 camper fee upon registration. Campers will need to be dropped off at North Lakeland Discovery Center on Wednesday July 8th. The first challenge and activity of this camp will be a bike ride to Lake of the falls. This is a 20 mile ride. There will be opportunities for these campers to prepare for this type of physical activity through the summer TrailBlazer program. This is a program will run each week in June leading up to camp. More information will be sent out after your child is registered.

Our community sponsors continue to donate funds that keep the camp fees as low as possible.

YOU CAN HELP keep fees low by finding a new camp sponsor. A camp sponsor brochure is available at our web site: http://iron.uwex.edu/4h-youth-development/iron-county-summer-youth-camp/. We always need new sponsors, and THANK YOU for your help.
