The North Lakeland Discovery Center is a wonderful facility situated just outside Manitowish Waters on Statehouse Lake. The center provides a unique place to explore our area’s natural resources and have fun in group activities. Camp activities will take place in the out-of-doors, in the main lodge, at the fire ring and amphitheater, and on the waterfront. Check out their website for more information: http://www.discoverycenter.net

Directions: The North Lakeland Discovery Center is located in the town of Manitowish Waters, Wisconsin on County Highway W, approximately 26 miles south of Hurley. From the north on Highway 51, turn left onto County W. Look for Dietz’s Gas station on your right after crossing the bridge. Bear right, going ¼ mile and look for the North Lakeland Discovery Center sign on the left side of the road. The Discovery Center is 1.2 miles from Highway 51 on County W.

Iron County Summer Youth Camp
Located at North Lakeland Discovery Center
Manitowish Waters, Wisconsin

July 7 - July 10, 2015

Organized by:
Iron County University of Wisconsin-Extension, 4-H Youth Development Program/Iron County Summer Camp Planning Team
2015- The fifteenth annual Iron County Summer Youth Camp is planned for July 7-10 at the North Lakeland Discovery Center in Manitowish Waters. This camp is open to Iron County youth who are currently in the 3rd, 4th, and 5th grades. The camp will be fun, safe, educational and packed full of memories that can last a lifetime.

Dear Campers and Parents,

We are happy you are interested in the Iron County Summer Youth Camp. We have been planning for this year’s camp and know you will have fun, meet new friends and enjoy the activities.

We have about 100 beds for camp staff and campers. Male and female cabins will be filled first with the campers who return the completed registration form with the $30 non-refundable deposit or the total $80 camper fee.

All campers must pay the $30 non-refundable deposit or the $80 camper fee upon registration. Transportation is included in the fees and we encourage campers to ride the bus. **We feel campers make an easier transition when arriving to camp as a group.**

Our community sponsors continue to donate funds that keep the camp fees as low as possible.

The actual cost per camper comes to $165.00, which includes the cost of cabin rentals, food, activity costs, t-shirts, transportation, staff training, and canoe instruction and rental. We are able to offer the camp at such a reduced cost due to the support of donations from local businesses and individuals who believe in the power of summer camp and want all Iron County youth to have the opportunity to go to camp.

**YOU CAN HELP** keep fees low by finding a new camp sponsor. A camp sponsor brochure is available at our web site: [http://iron.uwex.edu/4h-youth-development/iron-county-summer-youth-camp/](http://iron.uwex.edu/4h-youth-development/iron-county-summer-youth-camp/). We always need new sponsors, and **THANK YOU** for your help.

Parent Volunteers are needed to help us keep our costs as low as possible. Last year volunteers donated over 564 hours. Parents support our youth staff when they assist with camp activities such as arts and crafts, nature or recreation. Parents help with meal preparation and serving, taking pictures of camp. You can help for a few hours, a day or more, please indicate your interest in #9 on the camper registration form. Our camp volunteer coordinator will contact you before camp to make specific plans for your help.
